

## Science

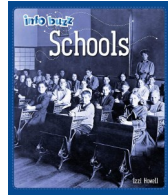

Children will be exploring different types of leaves on common plants and trees. They will also explore the characteristics of animals and how they are suited to their habitats.

## Whole Class text

Title: Schools

Author: Izzi Howell

## Home Learning

- Use the internet to research how school life was different in the past.
- Identify a variety of leaves
- Talk to the children about the Knowledge Organisers and the key information and vocabulary.

## English

In Writing the children will be exploring non-fiction texts and creating fact files on the Victorian Era.

Children will also focus on character description and using interesting adjectives in their writing.

In Reading, children will continue to focus on common exception words and segmenting and blending.

# B Birchfield PRIMARY SCHOOL

## Year 1 Summer 3.1

### Enquiry question:

Is it more than bricks that build a school?

## Mathematics

This term year 1 will focus on: Multiplication and Division.

- Counting in 2s, 5s and 10s.
- Making equal groups using repeated additions
- Using arrays by making equal groups.
- Making equal groups by sharing

## Art/DT/Music

In Art the children will be studying the work of James Rizzi and exploring 3D murals. The children will continue to explore primary and secondary colours.

## R.E. / PHSE

In R.E we'll be learning about how to be loyal to our friends and family and being steadfast. They will also explore different religions and their beliefs.

## History/Geography

The children will be learning how school life was in the past and the changes that have happened over the last years. They will compare and contrast how life was different compared to the modern day.

## P.E.

Every Tuesday and Thursday, please make sure children have the correct PE kit. They will be exploring:

- Athletics
- Target games
