

Science:

Science lessons will focus on electricity and healthy eating—recapping on key knowledge and skills from prior learning. Children will consider and investigate and analyse a range of existing products; the importance of a healthy lifestyle and the role of a healthy, balanced diet.

Whole Class Text:

Title: Freedom by Catherine Johnson

Vocabulary
Infer
Predict
Explain
Retrieve
Summarise

Home Learning:

- Children to use the knowledge organisers provided to help them further their learning regarding the enquiry question.
- Explore the difference between refugees and asylum seekers.
- Research what slavery was like and the impact of this upon the British Empire at the time and modern Britain now.
- Make a slave ship

English:

In Reading we will be focusing on a non-fiction and fiction text, developing our comprehension skills and exploring the themes from the book. We will focus on looking at meaning of words in context and inferring meaning and authorial intent, as well as retrieving important facts and information. In Writing we will be developing our written skills, focusing on language and vocabulary. We will focus on the different language types and the effect they create and how to use each. We will continue to develop our use of appropriate grammar, punctuation and spellings.

B Birchfield PRIMARY SCHOOL

Year 6 Summer 3.1

Enquiry Question :

What is the impact of slavery and refugees on the development of modern Britain?

Mathematics:

This term Year 6 will focus on :

- Consolidation of mathematical skills including number, place value, measure and geometry
- Algebra

Art/D.T/Music:

In art, we will focus on improving their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials (for example, pencil, charcoal, paint, clay). Children will explore the different types of artistic movements and create their own landscape pieces.

R.E./P.S.H.E.:

This half term we will focus on the value of respect and explore the importance of this and how it underpins British values and actively contributes towards our vision of becoming successful citizens of the future.

History/ Geography : This

term, children will learn about Africa past and present and the development of the slave trade. It also explores Britain's role in the transatlantic slave trade, the causes and consequences of the European colonisation of Africa and the worldwide communities that make up the African diaspora.

P.E.:
