

Science:

Year 2 will focus on the topic 'Plants'. We will be comparing wild flowers and garden flowers. We will then inter-leave with the topic 'living things and their habitats'. We will be conducting an experiment on the animals that can be found during the Summer and comparing this to a previous experiment conducted in the Winter.

Whole Class Text:

Vile Victorians By Terry Deary

Home Learning:

*Research Abdul Karim and write a fact file on him.

*Create a poster inviting people to visit Buckingham Palace.

WOW DAY:

Build their own castle

English:

In Reading we will be drawing on our knowledge of vocabulary to understand texts.. We will also be learning how to answer fact or opinion and multiple choice questions.

In Writing we will be developing our written skills through recounts. We will focus on the organisational features, as well as the language needed to inform the reader. We will use our own experiences as a stimulus for our writing. We will also revisit poetry. We will be writing poems based on our enquiry question as well as summer.

B Birchfield
PRIMARY SCHOOL

Year 2 Spring 3.2

Enquiry Question :

Who is the King and Queen of the castle?

Mathematics:

This term Year 2 will focus on :

*Measurement

We will be measuring mass, capacity and temperature using a variety of scales.

*Geometry: Position and direction

We will be using a variety of terms to describe a direction such as left, right, anti-clockwise, clockwise, half turn, quarter turn etc. We will use our geography knowledge on maps and compasses to support the learning.

P.E.:

*Every Monday & Wednesday morning:

*Athletics

*Invasion

Art/D.T/Music:

We will be focussing on D.T this half term. We will be designing, creating and evaluating a bag tag fit for a royal. We will learn about the designer Naeem Khan and look at different sewing patterns and embroidery styles. We will then evaluate our product and discuss ways to improve it.

R.E./P.S.H.E.:

R.E— This half term, children will be appreciating beauty and exploring the term perfection.

P.S.H.E— This half term, children will be exploring feelings and how different experiences can bring out different feelings.

They will explore what these feelings can do to someone's body and behaviour, as well as who they should talk to about their feelings. This half term

children will explore 'empathy', what it is and how we can show it.

History/ Geography:

Year 2 will be continuing their Magnificent Monarchs project and explore 6 monarchs in detail. They will be studying Alfred the Great, William the Conquer, Henry VIII, Elizabeth I, Victoria and Queen Elizabeth II. We will be exploring their life and the impact they had during their reign. We will be looking at different historical sources to guide our research.
