

### How you can help at home:

Reading decodable books with your child

Singing different rhymes and poems (A sailor went to sea)

Completing weekly homework tasks- Researching different sea creatures and plants

Writing captions and sentences about sea animals

Drawing pictures of what you might see under the sea

### Understanding Of The World

Learning about how to take care of pets and animals

Learning about different cultures and beliefs

Discussing different types of water/sea transport (Boat, submarine)

Making a map for a sea adventure

Sea creature fact file

### Physical Development:

Experiment with different ways of moving (Running, jumping, skipping, hopping)

Forming recognisable letters (Upper and lower case letters)

Developing fine/gross motor skills

Learning about how to keep safe during the summer

Building transport models for under the sea (Submarine)

### Mathematics (Numbers and numerical patterns)

Use language related to halving and sharing

Talk about the shapes of everyday objects (cone, cylinder, cuboid, sphere)

Learning about subtraction ( $10 - 5 =$ )

Creating patterns using natural objects

Learning about odd and even numbers (2, 4, 6, 8, 10)

Filling in missing numbers

Counting sea creatures

# B Birchfield PRIMARY SCHOOL Summer 3.2

**Book:** The Fish Who Could Wish, Tiddler, The Rainbow Fish

**Genre:** Fiction
