

How to Guide: Sending in Your Child's Learning

Your child's teacher wants to see the work your child does at home. Please send in their work to your child's year group email address. These could be attached files or pictures.

Your child's class teacher will look at your child's work and will provide some feedback.

The email addresses and the teachers they are linked to are as follows:

Year Group:	Email Address:	Mailbox Assigned to:

Microsoft Teams Assignments Help:

Your teacher may also set work for your child called an 'assignment' on Microsoft Teams. Your child can work on the document provided by your teacher through Teams; work on a document from your device and then upload it or upload a picture of work they do on paper. This is all explained in the video below.
